

Hi Herbert,

Really will to thank you for your services for Mclogic. I really have to apologize for the last min printing and constraint in time. But nevertheless, you have indeed done a SUPERB job for both Mclogic (my company) and Logitech (Vendor).

Without your service, I won't be able to carry out our roadshow on August 2nd and 3rd at Raffles Place Caltex House. Feel free to drop by. Thank you again on behalf of Mclogic. Have a nice weekend.

We look forward with more chances to work with Imprinted Express again. Regards.
